Description :

PDF-2b4b4 | The American Political Tradition is one of the most influential and widely read historical volumes of our time. First published in 1948, its elegance, passion, and iconoclastic erudition laid the groundwork for a totally new understanding of the American past. By writing a "kind of intellectual history of the assumptions behind American politics," Richard Hofstadter changed the way Americans und... *The American Political Tradition: And the Men Who Made it*
