Description :

PDF-04f18 | It's the classic dilemma of the writer: Do you write what's in your heart or do you write what sells? In this modern age of publishing there is a huge chasm between the best selling authors that are rich beyond their dreams and... well, everybody else. All Daniel Waterstone ever wanted to do was write the great American novel and change the landscape of modern literature forever. He has two litera... *Brain: The Man Who Wrote the Book That Changed the World*
