Description :

PDF-778ae | Navigation is the key human skill. It's something we do everywhere, whether feeling our way through a bedroom in the dark, or charting a ship's course. But how does navigation affect our brains, our memory, ourselves? Blending scientific research and memoir, and written in beautiful prose, Finding North starts with a quest by the author to understand this most basic of human skills---and why it's ... *Finding North: How Navigation Makes Us Human*
