by Yongxin Li : **Life and Medicine: Every Patient Teaches a Lesson**

ISBN : #0692545530 | Date : 2015-10-14

Description :

PDF-dcad5 | This is the first English medical memoir that has ever been written mainly about American health care by a Chinese immigrant physician practicing in the United States of America. The unique medical stories in this book illustrate the current state of American medicine, the life and times of a Chinese doctor, and some views and opinions on health-related issues from a different perspective.
