Description :

PDF-8996a | Heather Lyn Mann was a battle-weary environmental advocate in Madison, Wisconsin, struggling over what to do about climate change when she and her husband decided to explore the Atlantic on a small sloop. This memoir of six years living afloat is a chronological unfolding of disasters and discoveries—life-threatening storms, the boredom of isolation, societies on the brink of extinction, sin... *Ocean of Insight: A Sailor's Voyage from Despair to Hope*
