Description :

PDF-7108a | When *Roughing It in the Bush* was published in 1852, it created an international sensation, not only for Susanna Moodie's "glowing narrative of personal incident," but also for her firm determination to puncture the illusions European land-agents were circulating about life in Canada. This frank and fascinating chronicle details her harsh – and humorous – experiences in homesteading with ... *Roughing it in the Bush (New Canadian Library)*
