Description :

PDF-21640 | Remember the days of longing for the hands on the classroom clock to move faster? Most of us would say we love to learn, but we hated school. Why is that? What happens to creativity and individuality as we pass through the educational system? Walking on Water is a startling and provocative look at teaching, writing, creativity, and life by a writer increasingly recognized for his passionate and ar... *Walking on Water: Reading, Writing and Revolution*
