Description :

PDF-1b7bb | In 1903 Hubbard's husband, Leonidas, starved to death on his cartographic and ethnographic expedition to Labrador.

Hubbard decided to complete her husband's work, becoming a skilled explorer and cartographer in her own right. She set out in July 1905 and with the help of George Elson, a Métis guide who had been employed by her husband on the original trip, and three other guides completed her exp... *A Woman's Way Through Unknown Labrador*
